Going forward starting in 2025 we are no longer going to do the mailed newsletters due to the high cost of postage. If you do not have email please let Tina Sund know so we can work with you in this matter. I look forward to any suggestions you would like to see in the newsletter.

Well it's that time of year again the Fall Fundraiser time of year AND Sight-In at the rifle range for hunters. The range becomes open to the public from 8AM – 5 PM and the dates are on the club calendar.

It has been brought to the attention of the board and asked that we pass this information on to members who may be hunting in the Island Lake area.

Minnesota Power sold their lease lots. This means roads that used to be public are private roads. Access to hunting areas may no longer be available from roads that once were. Please be respectful of this update.
